About Us

The Association of Professional Sri Lankans in the UK (APSL) was formed in 2004, with the aims of:

- Promoting unity and co-operation among the Sri Lankan professionals in the UK and pooling their skills for mutual benefit and that of Sri Lanka;
- Raising professional standards among members and colleagues;
- Projecting a more positive image of Sri Lankans in the UK as a skilled and disciplined sector of people making a valuable contribution to the country's economy and culture.

Our Vision

To help and support Sri Lanka develop its professionals, to be world class in quality as the benchmark for Asia.

Our Mission

To support and contribute to the advancement and continuous improvement of professional and vocation development in Sri Lanka.

Our Strategic Objective

Partnering Approach for the advancement and discussion of matters of professional interest for the ultimate benefit of the Sri Lankan Nation. including rural development
